Bible Study in DC

Genesis

DC ENGAGE BIBLE STUDY
THURSDAYS AT 7:30 PM
NPC AGENCIES BUILDING, RM.101
4125 NEBRASKA AVE. AT VAN NESS
WASHINGTON, D.C.

An in-depth study of God's great promises.

The substance of Genesis lies in its timeless themes: God's mighty power and greatness, God's love for His creation, and His grace toward fallen mankind. In its first several pages are found human dignity and purpose, mankind's rebellion and judgment, and forgiveness by means of a promised Redeemer.

These are all revealed at the very beginning of history in the Garden of Eden. But His redemptive

plan continued to play out in the formation of the Hebrew nation.

Genesis displays God's holiness and faithfulness, and His patient development of mankind's faith in a coming Messiah. Genesis is the foundation of all Christian belief—from Creation, to the promise of redemption, to understanding God's forgiveness by grace alone through faith in Him!

Join us for this great discussion!

The Engage Bible Study in DC is an interdenominational Bible discussion offered in your community. People from different churches with varying levels of Bible knowledge gather in a caring community to study and grow in relationship with the Lord through individual study, small group discussions, sharing prayer together, and fellowship in the DC community.

Please invite others to help form your group, or join in an existing small group of new friends.
