

**Majoring on the Minor Prophets: Doing Justice,  
Loving Kindness, and Walking Humbly with God**  
Currie Renwick

The class will utilize the Bible study guide, *Minor Prophets*, by Gene M. Tucker. Since the NPC bookstore is not open currently, the best course of action if you wish to have a copy for use during the class, is to purchase one online; there are several options listed below. *Please note, the original version is no longer in print, but a large-print version is available.*

If you would like to find a **used copy of the original version**, you may find it helpful to use this [link to several used copies on Amazon Marketplace](#).

If you would like to purchase **new copy of the large-print version**, it is in stock at [Amazon.com](#) as well as [Christianbook.com](#).
