

# FLOWER ROOM

## ***What was here before the renovation?***

- This area was formerly rooms 110 / 111. Part of Room 111 is now the Elevator Lobby.
- The Flower Room used to be on the Sanctuary level next to the Parlor, and shared with Hospitality and Sacristy teams

## ***What's new?***

Everything!

- Walk-in cooler
- Large island for arranging and teaching
- Cabinets
- Storage rooms for vases and pedestals
- Deep sink
- Stools, chairs and table
- Washer-Dryer
- Floor drain

## ***Interesting tidbits:***

- The Flower Room could be re-located from the Sanctuary level because our elevators are now large enough to accommodate huge flower arrangements.
- Room renovation was funded by a generous donor!
