

CAPITAL PROJECT CONSTRUCTION ACTIVITY

Week Ending October 2, 2021

LIBRARY: Library stacks and circulation desk has been installed. The maple wood fixtures enable 671 linear feet of bookshelves in our new Library.

SANCTUARY LEVEL: The Narthex ceiling has been painted; and finish painting continues throughout.

OUTDOOR GARDEN, PATIOS AND ENTRANCES: Scripture wall cleaning and caulking continues in the front garden. Light poles are painted and new banners hung.

CENTRAL STAIRS: Installation of glass railings continues.

STONE HALL FLOOR: Shades for the windows have been ordered.

“PUNCH LIST” INSPECTION: Punch list inspection and miscellaneous follow up work continues in finished spaces throughout building including Garden Rooms, and some Storage Closets. Completed and “accepted” rooms include the **New Elevators** plus . . .

Floor 1 (Stone Hall Level): **Choir Room and adjacent office**, restrooms, existing classrooms, AV Closet

Floor 2 (Mezzanine Level): **Flower Room; Library; Nursery, Toddler and Pantry Rooms; Storage Room and Kitchenette, New Restrooms**, existing classrooms

Floor 3 (Sanctuary Level): **Men’s Restroom, Usher Closet, Sacristy/Kitchenette**, closets

MISCELLANEOUS:

- The connection of old and new HVAC equipment to the new controller for the new Building Automation System (BAS) is complete. Updated room names and numbers have been added to the graphics in the BAS program. The mechanical testing and balancing process is complete.
- Low voltage cable installation for our upgraded IT system throughout the building is nearing completion.
