

Hello Everyone,

November 2022

Once again this year, we'll be partnering with the West Point Parents Group to send care packages to troops overseas. During the next several weeks, please shop for the items below. On Dec 3rd, we will have a drive-through at NPC from 10-12, when you can drive to NPC, pop your trunk, and a team will be ready to collect your items. From 12-3 on that same day, we'll be packing the items and getting them ready for shipment. This activity is open to all who are interested.

If you don't want to go to the grocery store, we will also need donations to pay for shipping the packages. You can send a check to the church with "Military Ministry Project" in the memo line.

Thank-you so much for all your support for our troops and this ministry.
